Overview

Dart Capital Limited's (Dart) Remuneration Committee (RemCo) is responsible for the approval of all recommended awards, taking internal advice as appropriate. No external consultants have been engaged on remuneration matters.

Pay & Performance

Dart's remuneration policy is simple and the bonus structure is designed to reward success and promote a client focussed corporate culture.

Remuneration is reviewed annually and salaries for all roles are determined with reference to relevant qualifications, experience and skills.

There is a cap on individual bonuses of 33% of total remuneration.

Bonuses are:

- Discretionary
- Not contractual or guaranteed
- Provided for in the annual budget
- Included in the annual stress tests and ICAAP assessment
- Accrued for monthly throughout the year
